Dear Bright Beginnings Families,

In order to help us determine the number of openings we can anticipate for the 2009-2010 school year, please complete and return the enclosed re-registration application as soon as possible.

This application can be used for younger brothers and sisters whom you wish to enroll for next year. If you need additional forms, please let us know. We wish to remind you that we offer a 10% reduction in the tuition fee for a 2<sup>nd</sup> or 3<sup>rd</sup> child from a family.

Families making last minute decisions to move or change their minds prior to school starting have made scheduling difficult in the past. As a result, we are asking continuing students to pay a \$75 registration fee to secure their place which will be deducted from September's tuition. New students will still require a \$75 nonrefundable registration fee.

We appreciate your trusting Bright Beginnings with your child's education. Should you have any questions, please contact me personally.

Best Regards,

Pam Warehime  
Director
